Dear Prospective Sponsor,

We would like to invite you to be a sponsor for the City of Lansing's Official Hackathon, MythicApps. This event, in conjunction with the Lansing Economic Area Partnership and Spartan Innovations, will take place September 25-27, 2015 at the Lansing Center in the heart of downtown Lansing, Michigan. MythicApps mission is to bring 500 students from across the nation together for a weekend of creativity and collaboration. This event will showcase to the participants the many companies that, together, form the technological community in the State of Michigan.

By supporting MythicApps through sponsorship, you not only are helping the development of this area, but you gain access to many benefits, including:

An opportunity to mentor the bright, young minds of the computer science, design, and engineering communities

A captive audience to showcase your company, your API's, and your products

Access to our attendees resumes, and an opportunity to connect with those students

Attached you will find a complete list of our sponsorship tiers, as well as the accompanying benefits. If you have any questions, feel free to contact us at sponsor@mythicapps.io.

We look forward to making you a part of the MythicApps family.

**Thank you,
MythicApps Team**
